
New for 1964!

high performance and value package from 

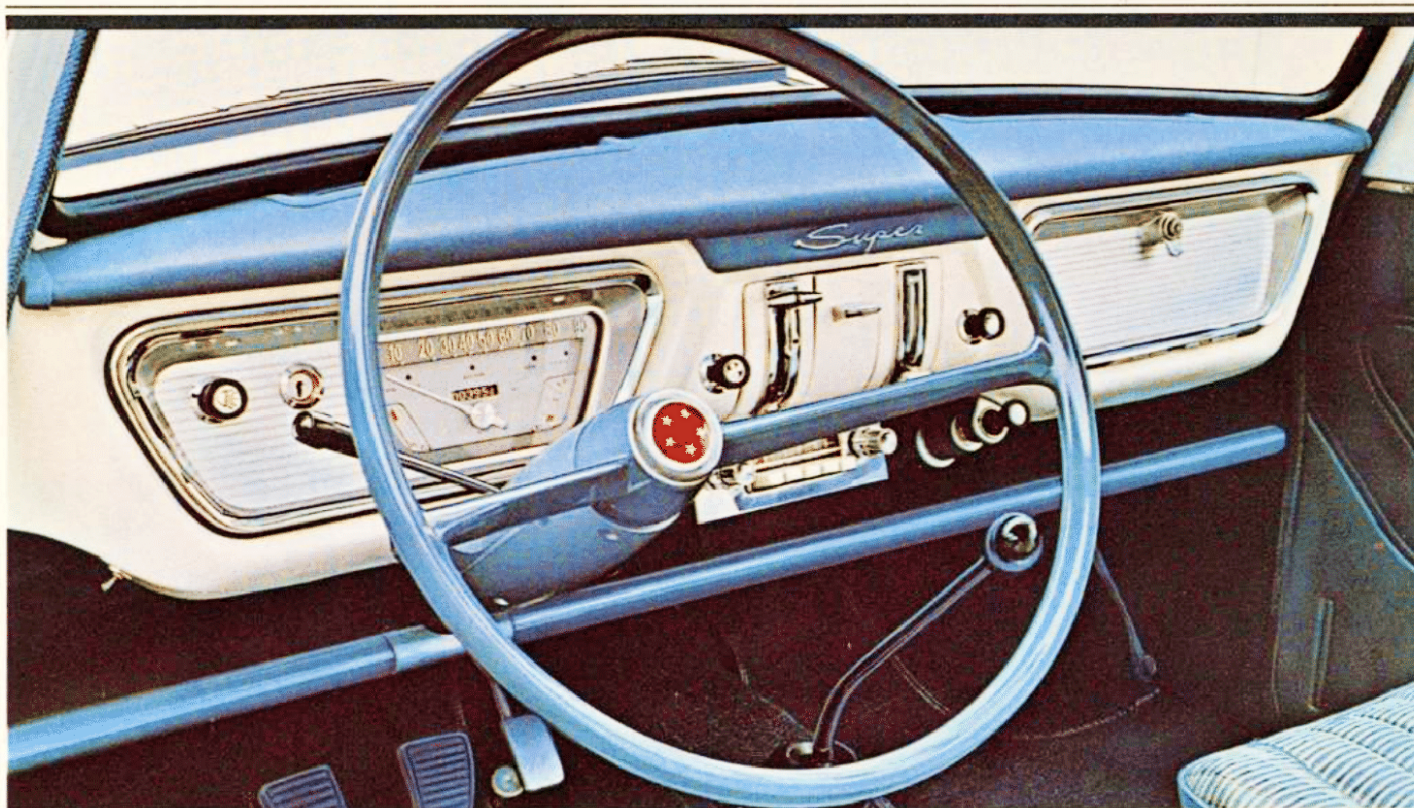

New Anglia Super 1200

Designed to provide the higher performance characteristics demanded by today's drivers, together with deluxe features that revolutionize small-car standards of comfort and beauty

Meet the brilliant new Anglia Super 1200 that breaks all performance barriers in its class! Under the hood there's a proven-in-action 53-horsepower engine. A short-throw, floor-mounted shift operates the fully synchronized 4-speed gearbox. So you've a power train that makes this a heady car to handle in city traffic or open road □ With this stepped-up power the Anglia Super 1200 gives you the level cornering of a torsion anti-roll bar . . . a bump-absorbing ride (coil springs are fender-deep) . . . and all-round ruggedness that has made the name Anglia internationally famous for rally-winning performances □ And what a package of luxury features you'll find in the new Anglia Super

1200! Carpeted floor. Curved-back bucket seats. Padded dash. Quilted trim. Rear seat arm rests. Windshield Washer. Cigarette lighter. Plus the exterior glamour of chrome-edge side flashes and bright metal wheel covers □ One of the roomiest cars in its class, the Anglia Super 1200 carries 4 adults in uncramped comfort. And there are 10 cubic feet of usable space in its trunk □ Test-drive Ford of Britain's newsworthy Anglia Super 1200. See how successfully it blends sports-car performance with family-car comfort and convenience □ Then compare its price with that of ANY other car in or near its class. You'll find the Anglia Super 1200 makes more value sense per dollar—by far!

Distinctive styling with inward-slanting rear window gives the Anglia Super 1200 practical advantages too. It provides more rear-seat headroom, stays clearer of snow, rain and dust. In summer, roof-line design provides rear seat passengers with extra shade from hot sun.

Luxury everywhere! Imagine a low-priced car with a carpeted floor! In its class, only the Anglia Super 1200 offers this extra as well as a handsome instrument panel and cigarette lighter. Short-throw, floor-mounted shift facilitates quicker, easier handling.

Richness of interior styling is reflected in the Anglia Super 1200's rear seat where two adults can ride in uncramped comfort. Note quilted trim and arm rests. Upholstery materials are available in a wide range of beautiful colors. Steering wheel is color-keyed to the interior.
